Twin Peaks Opens Second Arizona Twin Peaks® Restaurant

Twin Peaks is now open at 2135 E. Camelback Rd. in the Town & Country Center

PHOENIX (February XX, 2013) [Twin Peaks Restaurants](#) has opened it's second location in Arizona. The rapidly growing, award-winning adventure lodge has opened its newest location at the Town & Country Center in Phoenix.. The concept opened its first Arizona restaurant in Scottsdale early last year, adding Arizona to its list of more than 25 locations now open from coast to coast.

Located at 2135 E. Camelback Rd. in the Town & Country Center, Twin Peaks will deliver what Phoenix has hunted for in a sports restaurant: large portions of high-quality comfort food and an extensive variety of 29-degree draft beer, including several local brews, served from a full-service bar with 24 tap handles. Additionally, the restaurant's 7,800+ square feet of bold hunting lodge atmosphere boasts a fully-covered outdoor patio and will be stocked inside and out with over 70 high-definition televisions, making it Phoenix' ultimate sports-watching destination.

"We are very excited to be opening this new Twin Peaks location in Phoenix," added Twin Peaks CEO Randy Dewitt. "It's right in the heart of the city and it's very visible, so people who haven't had a chance to try us before will be more likely to stop in. Between the great location and our reputation for awesome service, we're sure our new Camelback location will be a really big hit with fans."
