Twin Peaks Adds to Scenic Views in Oklahoma City

Ultimate man-cave opens third Oklahoma restaurant at 6500 SW 3rd St. in Oklahoma City

DALLAS (May 31, 2013) Twin Peaks, the mountain-lodge themed sports restaurant, has opened its third restaurant in Oklahoma at 6500 SW 3rd St. in Oklahoma City.

Twin Peaks West Oklahoma City is known as a “Mega Peaks” restaurant with over 12,000+ square feet and 88 high-definition televisions. The space also features a large indoor fireplace and private “man-cave” party room along with two full-service bars that offer 32 individual beers on tap, served at a freezing 29 degrees.

“Craveable man-food, cold drinks and sports are what Twin Peaks is all about,” said Kristen Jones Colby, Senior Director of Marketing at Twin Peaks. “We’ve got a huge fan base at our restaurants in Tulsa and North Oklahoma City, and this new West Oklahoma City restaurant will give guests another spot to catch all their favorite games and enjoy an ice cold beer.”

The hearty comfort food menu offers American favorites like slow-roasted Ribeye Pot Roast and house-breaded Chicken-Fried Steak alongside Twin Peaks classics like the tempting Hangover Burger and BBQ Pulled Pork Nachos.

Twin Peaks West Oklahoma City is also home to more than 100 new Twin Peaks Girls, the concept’s signature assets.

“Our fans in Oklahoma know how awesome Twin Peaks’ service is and that’s thanks to our Twin Peaks Girls,” added Colby. “They’re what set us apart and we’re very excited to give guests in Oklahoma City more of what they love, and introduce new fans to everything we have to offer.”

Additionally, today through Friday, June 7, Twin Peaks West Oklahoma City will donate a generous portion of dinner sales directly back to the Moore, Okla. Community to aid in the relief efforts for the Moore tornado victims.
